## Justification for Office Relocation and Early Lease Option Renewal

Workforce Solutions Northeast Texas is planning an office relocation which will result in significant cost savings. Based on a current analysis of commercial real estate data, the average asking rent for office space in Texarkana, Texas, is approximately \$10.95 per square foot per year, with rental rates ranging from \$1.00 to \$19.20 per square foot, depending on location, size, and amenities.

Workforce Solutions Northeast Texas currently leases two facilities in the Texarkana area, the Texarkana Workforce Center and the Board Office. The Board office staff will be relocating to the Texarkana Workforce Center, consolidating the two offices into one. This comes as a result of the current Board lease ending on September 30 2025, and enough available space at the Texarkana Workforce Center to accommodate all Board staff.

By relocating to a new office space that falls within or below the current average market rate, Workforce Solutions anticipates a measurable reduction in annual lease expenditures. This move aligns with our ongoing efforts to optimize operational costs while maintaining a professional and accessible environment for staff and clients.

The relocation is projected to yield annual cost savings of \$95,340 in rent, \$14,064 in utilities, and \$7,896 in repairs and maintenance, totaling \$117,300 in yearly savings. While the Board will pay for its share of the lease at the Texarkana Workforce Center, the cost savings of consolidating the two facilities, impacts both the Board and Contractor.

The anticipated cost savings serve as strong justification to exercise an early renewal option on the proposed lease, securing a favorable rate ahead of potential market fluctuations. Locking in a lease under current conditions not only strengthens our financial position but also provides budget predictability and supports long-term planning.

The current lease at the Texarkana Workforce Center equates to \$1.11/square foot. This is well below the market price to lease office space of a similar size to accommodate all staff. The current lease ends September 30, 2027. A final renewal option is available for 120 months, beginning on October 1, 2027. Exercising this renewal option early will lock in the current lease cost for the time remaining in the existing lease. The additional lease renewal includes two price increases, one for the first five years and one for the second five years,

which equate to \$1.14/square foot and \$1.20/square foot, respectively. These lease costs remain well below current market value, and well below a modest projected annual CPI increase, which is typical in commercial real estate leases.

**ADDENDUM NO. 2  
TO LEASE AGREEMENT**

**STATE OF TEXAS           §**  
**§**  
**COUNTY OF BOWIE       §**

This addendum to the lease dated September 12, 2006, is hereby agreed by the parties according to the following modifications:

**Existing Master Lease:** The existing Lease Agreement (“Lease Agreement”) was entered into on September 12, 2006, between Sandefur Properties, LP as Lessor and Northeast Texas Workforce Development Board for the lease of a certain office building located at 1702 Hampton Road, Texarkana, Bowie County, Texas. On September 14, 2007, the Lessor Sandefur Properties, LP sold the real property and assigned the existing Lease Agreement to the Purchaser, David J. Potter, II, now Lessor, subject to the existing lease reference above.

The Lessor and Lessee mutually agreed to amend the Lease on the 9<sup>th</sup> day of August, 2015. Addendum No. 1 to the Lease Agreement amended the lease payments and exercised the Lessor’s first of two options in the Lease. The present monthly lease payment is \$27,861.38. The existing Lease term as extended ends September 30, 2027.

For in consideration of the terms contained herein, mutually bargained for and given in exchange by the parties hereto, the sufficiency of which is hereby acknowledged, David J. Potter II, Lessor, and North East Texas Workforce Development Board, Lessee, AGREE:

**1. Leasehold Improvements:**

The Lessee has requested modifications to the floor plan (See Attachment A). The estimated cost of improvements is \$52,627.32 per the Texas Contracting Company estimated (See Attachment B). Landlord will at Landlord’s sole expense cause the approved modifications to the building floor plan to be completed by August 1, 2025, or sooner.

**2. Exercise and Modification of Paragraph 5 (Renewal Options) and 6 (CPI Escalation Clause) of the Lease Agreement:**

**EXERCISE OF OPTION 2:** Notwithstanding the terms of Paragraphs 5 and 6 of the Lease Agreement to the contrary, the Lessor and Lessee agree that Option #2 for an additional 10 years is hereby exercised by the Lessee and acknowledged by the Lessor, according to the following terms. The parties agree that the schedule of rent shall be as follows:
